OVERVIEW

**DIVISION OF ADMINISTRATION
OFFICE OF CONTRACTUAL REVIEW**

ANNUAL REPORT FY 1997-1998

The Office of Contractual Review is charged by law with adopting rules and regulations for the procurement, management, control and disposition of all professional, personal, consulting, and social services required by state agencies, boards and commissions of the executive branch of Louisiana government. The Office of Contractual Review decides all matters of policy relative to professional, personal, consulting, and social services. The contracts received at the Office of Contractual Review are reviewed to ensure that they comply with all laws and regulations, that funding is available and the proposed services are reasonable and advisable, while not substituting personal judgement for that of the agency on programmatic issues. The review process also ensures that a central record of all such agreements is maintained and that comparative statistics in the number and kinds of services needed can be developed for planning purposes. The Louisiana Revised Statutes Title 39: 1481-1526 directly address the laws governing professional, personal, consulting, and social services contracts. The official rules and regulations of the Office of Contractual Review appear in Title 34, Part V of the Louisiana Administrative Code.

Additionally, Executive Order MJF 96-24 requires that all cooperative endeavor agreements be reviewed and approved by the Office of Contractual Review where there is an expenditure of public funds.

During the period 07/01/97 through 06/30/98, 7171 contracts and amendments worth approximately \$1.238 billion dollars were approved by the Office of Contractual Review. They are as follows:

Professional	1972	\$153,476,292.77
Personal	241	\$6,976,432.28
Consulting	975	\$214,039,078.09

Cooperative Endeavor Agreements	551	\$449,778,550.85
Totals	7171	\$1,237,881,021.12

Contracts and amendments approved under delegation of authority by agencies total approximately \$45,578,650. Comprehensively, contracts approved during FY 97/98 under the authority of LA R.S. 39:1481 et seq. total approximately \$1,283,459,671.

A complete listing of all contracts/amendments approved during FY 97-98 is maintained in the Office of Contractual Review and is available for viewing.

The annual budget for the Office of Contractual Review for FY 97-98 was \$241,356. There are six full-time employees that comprise the Office of Contractual Review. For FY97-98 they were:

Susan H. Smith - Director

Marie C. Frank - Assistant Director

Kenya Lipscomb - Contracts/Grants Reviewer

Paula Lazard-Lewis - Contracts/Grants Reviewer

Cynthia Galmon - Contracts/Grants Reviewer

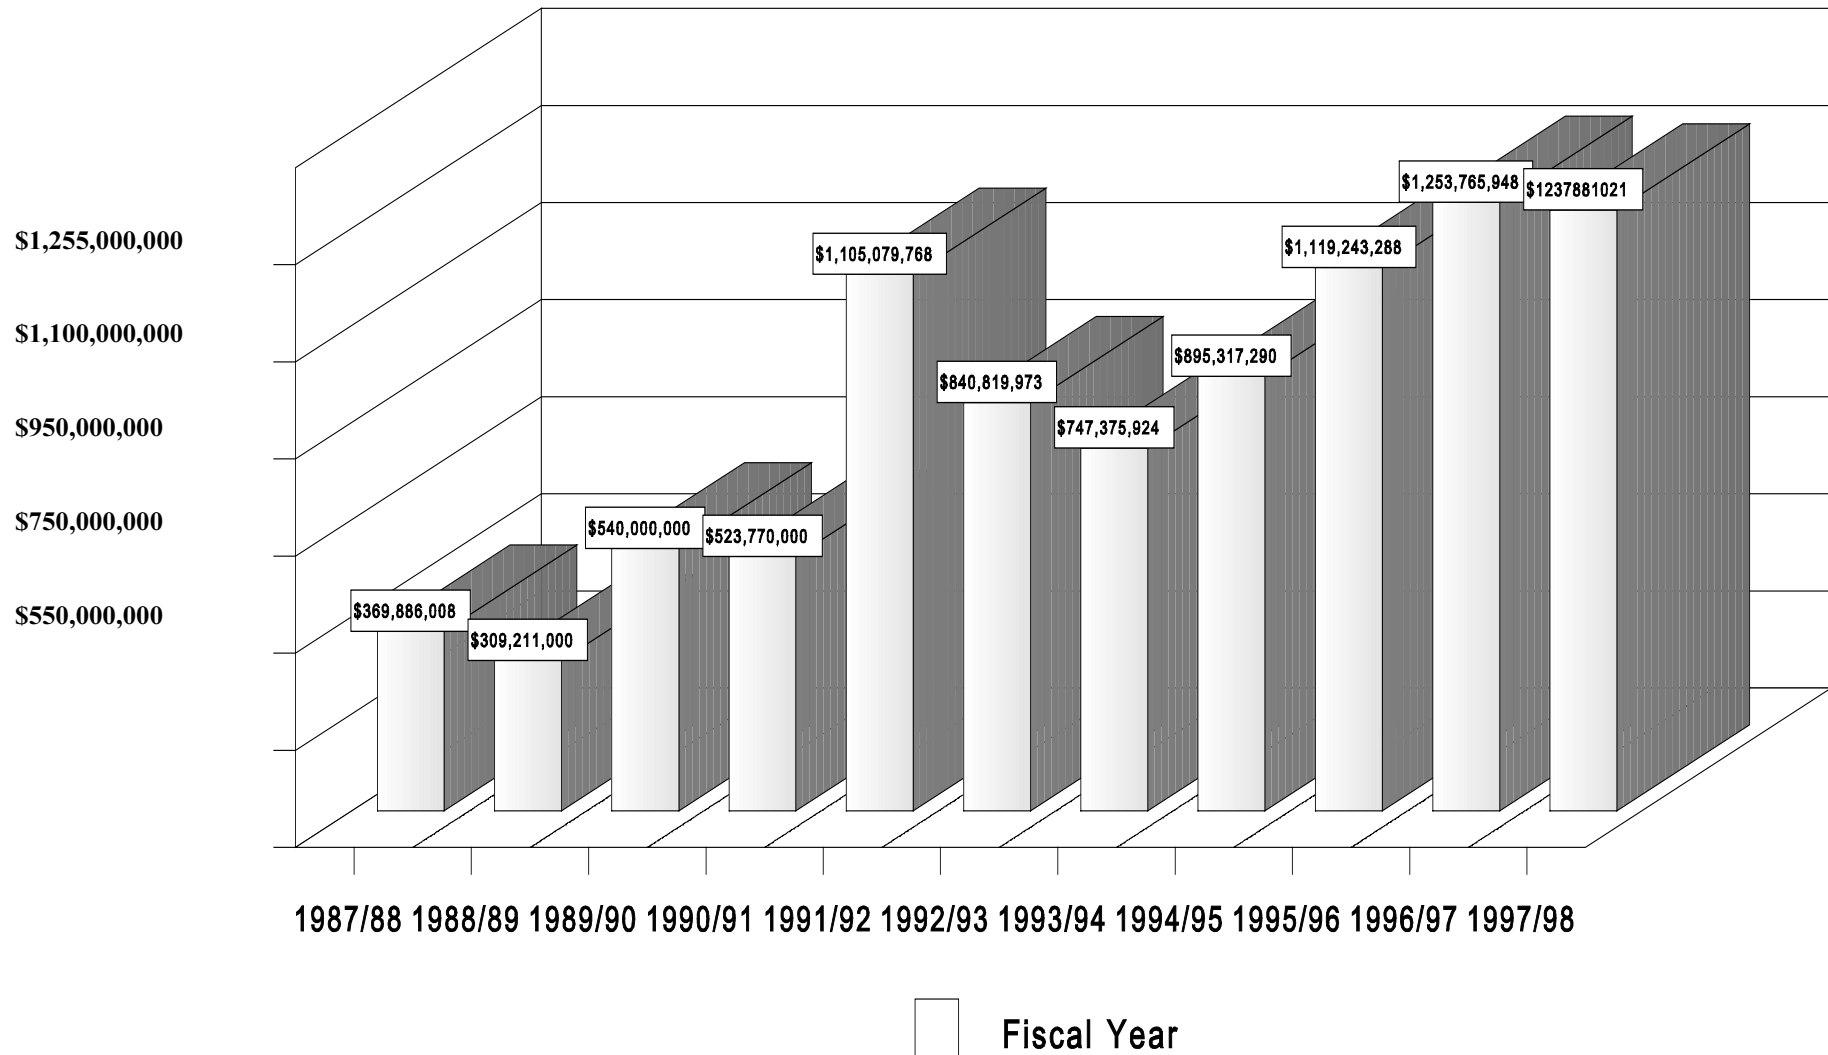

Amy Smith - Secretary

The statistics in this report reflect those contracts and contract amendments which were approved by the Office of Contractual Review during the period July 1, 1997 through June 30, 1998 as required by La. R. S. 39:1489. The services provided in some of these contracts may actually have been performed in the prior or subsequent fiscal year. The approved date on these contracts/amendments is largely dependent upon the date the contracts/amendments are submitted to the Office of Contractual Review for approval. During FY 97-98, the Office of Contractual Review provided an average processing time of three weeks for those contracts/amendments submitted for approval.
